

AMGC News

Director General's Message

During the month of September, the Centre introduces replacement of cash modality payment by a new methodology of mobile payment for providing its mineral services to be paid directly to AMGC's bank account at Stanbic Bank, Tanzania. The AMGC's Director General had meetings with directors of NASIA Consultant, TAMEG Properties Ltd, Corner Stone Financial Consultants and Kepler Consultant Auditing Co. to accredit their reports of asset evaluation and auditing of

Finances by Controller Auditing General (CAG), Tanzania. Director General also had a meeting with Dr. Hans-Eike Gaebler, responsible for the Analytical Fingerprint (AFP) at BGR Headquarters and the meeting was also attended by BGR project manager Dr. Rudolf Mauer and Dr. Timo Gawronski Chief Technical Advisor of the AFP laboratory at AMGC. In addition, the Director General had a meeting with a consultant Dr. Felix Hruschka from BGR headquarters and Dr. Rudolf Mauer, Project Manager of BGR-ICGLR to evaluate the present project phase ending 2019. It is an exercise to establish progress and deficiencies during project implementation since 2017 and provide recommendations for adjustment to improve performance on planned project extension 2020.

Meeting With Directors of the Kepler Consultant Auditing Company

AMGC Director General Mr. Ibrahim Shaddad had a meeting with directors of the Kepler Consultant Auditing Company, Tanzania to discuss Auditing Reports of Finances of the Centre on 17th September 2019.

Final Meeting of the Geoscientific Knowledge and Skills in African Geological Surveys

AMGC is a co-organizing with PanAfGeo Project the Final Meeting of the Geoscientific Knowledge and Skills in African Geological Surveys, which will take place from the 24th to 25th of October 2019 at Bahari Beach Hotel & Resort in Dar es Salaam, Tanzania.

Meeting with Dr. Hans-Eike Gaebler from BGR

AMGC Director General Mr. Ibrahim Shaddad had a meeting with Dr. Hans-Eike Gaebler, among others responsible for the Analytical Fingerprint (AFP) at BGR Headquarters on Wednesday 18th September. The meeting was also attended by BGR Project Manager Dr. Rudolf Mauer and Timo Gawronski, the AFP Team Leader based at AMGC. Dr. Gaebler's mission was part of routine inspection of the AFP laboratory and its equipment as well as assessment of training of AMGC staff working at the laboratory. Besides addressing technical issues the Director General was briefed on upcoming evaluation of the present regional BGR project including support extended to AMGC.

Meeting with BGR Consultant Dr. Felix Hruschka

AMGC Director General Mr. Ibrahim Shaddad had a meeting with consultant Dr. Felix Hruschka from BGR headquarters, Hanover and Dr. Rudolf Mauer, Project Manager of BGR-ICGLR. The meeting was on the Analytical Finger Printing (AFP) Project hosted by AMGC. The German Ministry for Economic Cooperation and Development (BMZ) funding the BGR-ICGLR project has mandated BGR to evaluate the present project phase ending 2019. It is an exercise to establish progress and deficiencies during project implementation since 2017 and provide recommendations for adjustment to improve performance on planned project extension 2020.

Congratulatory Messages

AMGC has the honor to congratulate Mr. Adil Ali Ibrahim, who is a renowned petroleum engineer for being appointed the Minister for Energy and Mining, Sudan. The Director General of AMGC paid a courtesy visit to H.E. Mr. Adil Ali Ibrahim at his residence in Khartoum conveying congratulations of the Centre and its member states.

AMGC has the honor to congratulate Dr. Rokhaya Samba Diene from Senegal on her appointment as the new President of Organization of African Geological Surveys (OAGS). Dr. Rokhaya was the former Vice- President of OAGS for West Africa Region. AMGC looks forward to cooperate closely with Dr. Rokhaya Samba Diene to serve both the African Geosciences Community and Mining Sector in Africa.

LIST OF TRAINING COURSES October - November 2019

Tentative Schedule	Training Topics	Course Fee
07-18 Oct 2019	The Economics and Evaluation of the Minerals Industry	\$800
07-18 Oct 2019	Geophysical and Geochemical Data Processing and Interpretation	\$800
07-25 Oct 2019	Gemstone Identification and Value Addition Techniques	\$1,200
15-26 Oct 2019	Forming Techniques	\$800
21 Oct -01 Nov 2019	Modern Laboratory Management Methods	\$800
21 Oct-01 Nov 2019	Mineral Exploration and Resource/Reserve Estimation	\$1,500
28 Oct - 08 Nov 2019	Metallurgical Balance and Process Control	\$800
28 Oct - 08 Nov 2019	GIS and Remote Sensing for Mineral Exploration and Geological Mapping	\$800
18-29 Nov 2019	Quality Control and Quality Assurance in Laboratories	\$800
18-30 Nov 2019	Decorations in Pottery and Ceramics	\$800
18-22 Nov 2019	Environmental Management in Mining	\$400
18-29 Nov 2019	Data Integration and Mineral Targeting	\$800
25 Nov - 06 Dec 2019	Web mapping	\$800
11-22 Nov 2019	Geohazards	\$800
09-20 Dec 2019	Mineral Processing Basics – Beneficiation Operations and Metallurgical Processes	\$800
09-20 Dec 2019	Geostatistics Application in Geology	\$800
02-13 Dec 2019	Mineral Exploration and Resource/Reserve Estimation	\$1,500

Angola International Mining Conference & Exhibition, CIESM

The Government of Angola will be organizing the first Angola International Mining Conference & Exhibition, CIESM, taking place 20 - 21 November 2019 in Luanda, Republic of Angola. This will be *The future of Angola's Mining industry on Spotlight at CIESM*. While Angola is perhaps better known for its Oil and Gas sector, under President Lourenço, the Angolan Mining industry has been undergoing wide ranging reforms, including new regulations and policies, to make the sector more agile and competitive in the current economic climate. CIESM is being organized as one of the initiatives looking at what are the challenges in meeting the goals set for the industry, while at the same promoting the potential of the national mining sector to international investors. For more information visit: <https://ametradeltd.cmail20.com/t/t-l-bfhjiy-xaltlyk-x/>.

Tanzania Oil & Gas Congress

Following the huge success of 2018, the 3rd Tanzania Oil & Gas Congress will be returning 2nd -3rd October at Julius Nyerere International Convention Centre - Dar Es Salaam, Tanzania with the full support of the Ministry of Energy, TPDC and all key government bodies. This year, the Congress will focus on exciting investment opportunities, strategies to boost industrialisation and new oil and gas projects in the region.

Mineral Wealth Conference 2019, 2-3 October 2019

The 8th annual mineral wealth conference will be held on 2nd -3rd October 2019 at Kampala Serena Hotel. The annual Mineral Wealth Conference (MWC) is organized by Uganda Chamber of Mines and Petroleum (UCMP) in partnership with the Ministry of Energy and Mineral Development (MEMD). The conference plays a critical role in creating opportunities for Uganda's domestic and international mining interests since it brings together key policy and decision makers, business leaders, bankers, academia and mining investors from all over the world. It offers a platform for presentations, interactive panel discussions, business matchmaking, networking and exhibition of products and services. This year's conference will be held under the theme: "Creating an enabling environment for mining in Uganda". For further information and registration please visit <https://www.ucmp.ug/>.

East & Central Africa Mining Forum

Regional mining Exhibition & Conference taking place on 28-29 October 2019 in Kigali, RWANDA, at the Kigali Convention Centre. Hosted by RMB – Rwanda Mines, Petroleum & Gas Board, the government institution that leads, manages and regulates Rwanda's extractive sector, this regional business and investment platform will focus on mining Operations and Exploration projects the East & Central African region, positioning Rwanda as a modern hub for business, investment, trading and mineral processing.
