INNOVATION IN ACTION: PANAFGEO-2 SHOWCASES EXPERTISE AT TEAM EUROPE BOOTH, MINING INDABA 2024

01 February 2024, Brussels

PanAfGeo-2 is set to take center stage at Mining Indaba 2024, marking its presence at the EuroGeoSurveys (EGS) stand within the Team Europe booth (T36 & T38) from 5th to 8th February 2024.

Celebrating the 30th anniversary of Mining Indaba, the event's theme, "Embracing the Power of Positive Disruption: A Bold New Future for African Mining," aligns seamlessly with PanAfGeo-2's commitment to pioneering advancements in the field.

Key members of the PanAfGeo-2 team will be on-site at the booth, eager to engage with attendees and explore the diverse opportunities emerging from their groundbreaking initiatives. As part of the engagement, PanAfGeo-2 will host a special presentation at the Team Europe booth on 5th February at 15:00 hrs, welcoming all interested participants.

About PanAfGeo:

PanAfGeo is an EU co-funded initiative that began in 2016, and is supported by the European Union and the African Union through the Africa-EU Partnership. The project allows trainees to acquire state-of-the-art tools, methods and experienced knowledge in 8 geoscientific skills. The project supports the training of geoscientific staff from African Geological Surveys through a diversity of innovative training methods.

A brochure outlining the aims and plans for PanAfGeo-2 can be found [here](#). For more information, [visit](#).
